## TRIAL ENTRY INFORMATION

### **Trial Entry Open and Closing**

- The draw period for the trial will open on Thursday, February 23<sup>rd</sup>, 2023 at 9:00 a.m. PST. Entries will be awarded by random draw of all entries received between 9:00 a.m. PST Thursday, February 23<sup>rd</sup>, 2023 and 9:00 a.m. PST, Saturday, February 25<sup>th</sup>, 2023.
- Trial entry will close at the end of the draw if the trial and wait list are deemed full. If the trial and wait list are not full, the trial will remain open for entries until they are deemed full or the day of the trial.
- We will not be taking payment until you are given a space in the trial. If you are given a space in the trial, you will receive information on how to submit payment. You will then have two days to complete your payment to confirm your space in the trial.

## Entry Method

All entries will be on-line via the link provided to the NACSW trial entry form. Paper and phone entries will not be accepted. Completing the form is not a guarantee of entry. You will receive a confirmation from [nwk9sniffers@gmail.com](mailto:nwk9sniffers@gmail.com) to let you know if your entry has been given a space in the trial.

## Entry Requirements & Selection

**A Qualified Entry is one that meets all the following criteria:**

1. Complete the on-line trial entry during the draw period listed above.
2. The Handler is an NACSW member in good standing for the 2022-2023 membership year (8/1/22 – 7/31/23).
3. The Dog is registered and in good standing with the NACSW.
4. Dogs participating in a trial must be at least one year of age.
5. The Dog has achieved the ORT title (passed all 3 odors) and prior title level at least 14 days before the trial opens for entries. This applies to all levels effective April 1, 2021.
6. Qualified entry for Summit League – Dog has earned an ELT-CH or ELT3 title at least 14 days before the trial opens for entries. Any dog that has trialed twice in Summit League Trials during the calendar year will be considered to be an FEO entry for additional Summit League Trials.

**Trial spaces will be determined in the following manner:**

- Spaces will be awarded by a random draw of all Qualified Entries received during the draw period listed above. Summit trials teams that meet the ELT-CH title requirement will be placed above teams that meet the ELT3 requirement in the draw.
- In the event that you are having technical difficulties with the entry system, please email [trialentry@nacswnet](mailto:trialentry@nacswnet) prior to the end of the draw period.
- You may enter multiple dogs for entry in the draw. However, only one dog/handler per title level will be accepted into the trial. Entry will go to the dog selected in the draw – you may not swap to an alternate dog. If multiple dogs are selected in the draw, you may select which dog you wish to enter. Once a dog has been entered as a second dog/handler entry, you may not swap handlers after the draw to change the entry to a first dog/handler unless the trial is not full.
- If a trial level is not full after the draw of Qualified Entries, then there will be a Secondary Draw of any entries received that did not meet the title requirements. These entries will be accepted pending completion of the requirements. **Note:** dogs must earn their prior title level at least 3 days prior to the trial date to be eligible to compete. If the required title is earned less than 14 days prior to the event, it is the competitor's responsibility to notify the host that the requirement has been completed.
- If the trial level and wait list are not full after all entries received during the draw period have been processed, entries will continue to be accepted in the order they are received until the trial and wait list are deemed full.
- For Exhibit Only Dogs (FEO): Dogs running FEO are not eligible to receive titles or earn placement ribbons. FEO results will not be included in the posted trial results.

Host is offering spaces to 1<sup>st</sup> dog FEO teams and 2<sup>nd</sup> dog FEO teams.

If space remains after all qualified entries are accommodated on March, 8<sup>th</sup>, 2023, then we will offer spaces for those who wish to run a dog For Exhibition Only (FEO). Second dog/handler FEO entries will be offered spaces after April 1<sup>st</sup>, 2023

- The trial host of an event has the right to refuse entry of any competitor or dog for just cause as approved by the National Trial Committee. Just cause includes lack of adherence to NACSW rules and guidelines and the policies outlined in each event entry premium.
- Some trial entries may be given priority entry based on contributions to the organization and the trial process.

You will be notified via e-mail of the results of the random draw by 8 pm PST, March 4<sup>th</sup>, 2023

If you have a spam blocker on your email account, please configure it to allow email from Shelly Navarre at [nwk9sniffers@gmail.com](mailto:nwk9sniffers@gmail.com) to ensure delivery of confirmation and information about this trial.

You will then have 48 hours to complete your payment to confirm your space in the trial. Trial payments will be made via Square.

A waiting list for alternates will be started as soon as entries fill.  
Alternates will be contacted when a space opens.  
Depending on last minute trial logistics, we may opt to not fill all canceled spaces.

NACSW reserves the right to cancel a trial if minimum entry numbers are not met.

## LOCATION DETAILS

Modeled after real-life detection work, NACSW trials are held in many different locations, with a variety of terrain, under varying weather conditions. Dogs and handlers need to be able to safely negotiate a variety of surfaces, including, but not limited to, tile, linoleum, carpeting, gravel, asphalt, uneven surfaces, and slippery footing. Handlers should be prepared to deal with a variety of weather conditions, including heat, cold, rain and snow. Trials frequently require covering extensive distances to get to and from the parking area to each of the search areas and generally require that this be done across natural, uneven surfaces. Handlers should be prepared for the physical demands and must be able to navigate the terrain with their dog accordingly. Participants should expect to spend most of the day outside or in their vehicles as there are rarely indoor crating options at trials. Please be prepared for you and your canine partner to deal with all of these varying environmental challenges. Handlers should familiarize themselves with potential regional risks and health concerns that may affect themselves or their dogs. Handlers agree that they are entering this trial at their own risk.

### **ADA Site Specific Conditions**

This trial is being held at college campus. It is large and spread out. We may drive to search areas AND you may also have walk long distances to search areas. The terrain is fairly flat. Some searches may require navigating stairs to reach the search area.

Due to unforeseen conditions, such as weather or change in availability of areas at the location, these conditions may be

modified at the last minute.

### **Parking**

The parking lot is paved with shade. The parking areas are generously sized.

Due to unforeseen conditions, such as weather or change in availability of areas at the location, this policy may be modified at the last minute.

### **Reactive Dog Parking**

There is no reactive dog parking, but the parking lots are generously sized.

### **Unentered Dogs**

Unentered dogs must remain in the competitor's vehicle during the trial day. There will be ample potty areas, but unentered dogs should not be allowed to "play", exercise, or train on the trial grounds.

### **RV Parking**

There is space for large RVs to park at this site.

Due to unforeseen conditions, such as weather or change in availability of areas at the location, this policy may be modified at the last minute.

### **Running Vehicles or Generators in the parking lot**

Running your vehicles or generators in the parking lot will only be allowed, but discouraged for the benefit of your parking lot neighbor.

Due to unforeseen conditions, such as weather or change in availability of areas at the location, this policy may be modified at the last minute.

### **Smoking**

Smoking is not allowed on this trial site, including the use of e-cigarettes

### **Hotels**

We suggest using [www.bringfido.com](http://www.bringfido.com) to look for pet friendly hotel options near the trial site.

## **DOG INFORMATION**

### **Dog Policies**

- All dogs must be on a 6' leash at all times when not being tested. NO flexi-leashes while not participating in a competition search.
- Dogs that need space from dogs may wear a red bandana, provided by the dog's handler, to help signal others that the dog needs extra space from dogs.
- Dogs will be toileted in designated areas and handlers must pick-up and dispose of waste.
- Dogs and handlers must stay in designated areas to avoid contaminating testing space, interrupting a test, or from viewing any part of the testing.
- Competitors should expect to keep their dogs confined in a crate or vehicle when not competing. The logistics of a trial typically do not allow for dogs to hang out on leash in between searches. Competitors should plan to provide their own shade using canopies or shade cloths.
- Refer to Location Details (above) for information on unentered dogs.

### **Females in Season**

Will be allowed to run wearing "pants" at the very end of the running orders after all other dogs have been judged. Females in season will be parked and pottied in areas separate from the other dogs while at the trial if the location logistics permit. Handlers must contact [nwk9sniffers@gmail.com](mailto:nwk9sniffers@gmail.com) so plans can be made for the dog.

## **OTHER INFORMATION**

**COVID-19 Information**; Event attendees are required to adhere to the NACSW [COVID-19 Event Guidelines and Rules](#)

At this time there are no COVID restrictions or rules associated with this trial venue.

If there are any significant changes or updates after the draw period, entrants will be notified via email. Competitors are

responsible for staying up to date on any jurisdictional requirements for their home location as well as the trial location including any travel guidance.

### **Rules**

Complete rules are available at [www.NACSW.net](http://www.NACSW.net). **It is the responsibility of each competitor to read and understand the current NACSW Rule book prior to participating in a NACSW event.**

### **Liability**

By registering for the trial, the competitor hereby assumes all risks of, and responsibility for, accidents and/or damage to her/himself or to her/his property or to others, resulting from the actions of her/his dog. The competitor expressly agree that the NACSW, Green River College, Northwest K9 Sniffers and its assignees, employees, volunteers or any other person, or persons, of said groups, shall not be held liable personally, or collectively, under any circumstances, for injury, and/or damage to her/himself, for loss or injury to property, whether due to uncontrolled dogs or negligence of any member of said groups, or any other cause, or causes. The competitor also agrees to assume all financial liability that may be incurred by the NACSW due to the actions of themselves or their dogs regardless of the cause.

### **Sportsmanship**

All competitors/handlers and spectators are expected to follow the rules of the NACSW and demonstrate good sportsmanship. This includes making sure the hide placements are unknown to the handler prior to testing and kept secret from other competitors. Please do not discuss hide placement or any details of a dog's performance that may provide information or clues to other handlers or may be overheard.

### **Summit League Titles**

The SMT Title is earned by placing in the top 20% overall of competing teams at a Summit League Trial.

<b>No. of Competing Teams</b>	<b>No. of Titles to be Awarded</b>
<b>0 to 4</b>	<b>0</b>
<b>5 to 9</b>	<b>1</b>
<b>10 to 14</b>	<b>2</b>
<b>15 to 19</b>	<b>3</b>
<b>20 to 24</b>	<b>4</b>
<b>25 to 29</b>	<b>5</b>

In the event of a tie for the last titling placement, both teams would receive a title. For example, if there are 25 competing teams and there was a tie for 5<sup>th</sup> place, both teams would receive a SMT title for a total of 6 titles given at that trial.

### **NACSW Results**

Results for each search and overall will be posted after all searches are completed and scores are verified for you to record your results for your own records. It is your responsibility to ensure your scores are accurate prior to leaving trial grounds. If a discrepancy cannot be verified at the trial, you may be instructed to submit a score card review request. It is not the responsibility of the host or NACSW to return score sheets that are left behind or to mail ribbons that are not picked up.

### **Spectators**

Spectating will be allowed at some searches, space permitting and at the Certifying Official's discretion. Spectators may not photograph or video searches. Children under 18 must always be directly supervised by a parent/guardian. No dogs will be allowed in the spectator area. No unentered dogs with spectators are allowed at the trial. Spectators are reminded

that the hide placements must not be discussed, nor should they speak with any competitors about what they saw until after the trial is complete.

An adult accompanying a minor must be present during the searches.  
Everyone at the trial site must sign the waiver provided by the host and comply with all event requirements.  
Competitors are not allowed to watch the trial at any time.

You will not be allowed extra time at the start line to get your camera functioning. Please be sure it is ready to go prior to arriving at the search area. Videos may not be made public until completion of the trial day.

There is no photography or video allowed by spectators or volunteers.

As a condition of your entry, you agree to allow NACSW, or their agents, to video you and your dog during the entirety of the NACSW event. These videos are the property of NACSW. All competitors, through entry at any NACSW event, waive any and all rights relative to video broadcast or photography of such event.
